Selectmen's Meeting

AGAINST PROPOSED TOBEY CLOSING

Alan H. Perkins appeared before Selectmen to voice a strong objection to the State Health Council's plan to close Tobey Hospital. Mr. Perkins said that Tobey Hospital has always been a tremendous asset to the town and surrounding towns, most of whose citizens have been patients at one time or another. He said that he was shocked to read of the proposal and considered that it would be disastrous if it ever happened. The Selectmen agreed with the assessment of the situation. They assured Mr. Perkins that they were sending a written statement to that effect to the hearing in Middleboro on the state health plan by the Massachusetts Health Coordinating Council which was held January 25th.

(The State health plan calls for consideration of closing small community hospitals.)

ASK FEDERAL FUNDS FOR TELEPHONE

Joseph Perry, president of the Senior Citizens' Club, appeared before Selectmen with Paul Kelley, chairman of the Council on Aging, to ask that Selectmen apply for federal funds that they say are available for the hiring of a person to answer the telephone in the Council on Aging room. According to Mr. Perry, the Coastline Services Inc., an agency devoted to the controlling of such federally funded programs, would hire the person whom the Council on Aging think could be given enough to do to fill 20 hours per week. The duties would be answering the phone, filing, keeping a log of senior events, making trip reservations and occasional emergency transportation. Paul Kelley said that the Coastline Elderly Services keep urging such employment. The telephone service is presently answered in a four hour period per week by Carol Philla in the Selectmen's Office.

Selectman R. William Blasdale asked Mr. Perry what would happen when the

federal funds are discontinued as always happens. Mr. Perry replied that the Seniors would then take over as volunteers. Blasdale asked, if that were the case, why the seniors could not take over as volunteers immediately. Perry answered that the seniors would first have to see the value of the service but that after they had seen it he was sure they would take over. Mr. Blasdale said that he was very concerned that this job would turn out like all the rest of the federally funded jobs where there is no one to supervise and that the person would be hanging around the halls to combat the boredom and disrupt the personnel who are busy. Mr. Kelley said that he thought that there would be enough work to keep the person occupied for the four hours and said that the age stipulation of over 55 might indicate a mature responsible person. The Selectmen agreed to investigate further and agreed that their executive secretary might supervise if the job were approved. They agreed to have a conference with a representative of Coastline Elderly Services, Inc.

LETTER ASKS CAP ON EXPENDITURES

Selectmen received a letter from the Office of Communities Development asking that they cap local expenditures and local tax levies. The Selectmen noted that during their conferences on town budgets they have exerted every effort to pare town expenditures. They also noted that they have absolutely no control over the school

VOTE TO KEEP CLOSING HOUR

Selectmen received a letter from King of the Road asking reconsideration of the closing hour for establishments serving alcoholic beverages. The Selectmen discussed the question and saw no reason to change the hour from the present 1 A.M. closing and voted to retain that hour.

Michael Wood, 15 Cannon Street, requested that a curb be installed along his property line on Cannon Street. Selectmen will refer the matter to the Highway Surveyor, Manuel Nunes.

This will be a three-day, two-night encampment, with drills, displays, and authentic camp life of the era. This is a "Red Coat" group, highly appropriate to Rochester 300, since Rochester in 1679 was still very much a British Colony.

Mr. Chris Taft, representing Marion, spoke enthusiastically about Rochester 300's effect on the three towns and its ability to draw them back together again. His contribution by way of an event is a "Black Powder Shoot", which he will organize with the cooperation of the Sippican Rod and Gun Club of Rochester. Mattapoisett Seniors

Members of the Mattapoisett Senior Citizens' Club, at a meeting last Thursday in St. Anthony's Church Hall, voted to request the Town Selectmen to approve better secretarial coverage in the Council on Aging office in Town Hall.

Also, it was voted to send letters to the Selectmen and the Council on Aging concerning the action taken which was unanimous.

Joseph Perry, president, noted that Mattapoisett is the only area town without part-time coverage in its Council on Aging office. He said that through Coastline Services a senior aide could be hired to work four hours a day, five days a week. He added that the request in no way means that the Council on Aging is displeased with the current four hours' assistance provided weekly by the Selectmen, but that having a senior aide employed 20

State of The Union

Editorial, D.C.J.

President Jimmy Carter's "lean and austere" budget of 532 billion dollars is filled with contradiction but none greater than the basic one. Carter, while heavily banging away at inflation in words, is, as far as action is concerned, the main cause of inflation. No matter how he slices it, even Jimmy Carter can't eat more pie than there is without creating the very inflation he says he wants to fight. The Federal Government can't spend more money than it has income without weakening the dollar. The cheaper the dollar the more it takes to buy the same thing. If this is not inflation what the devil is it?

The "new foundation" that President Jimmy Carter was so heavily selling appears to be constructed on the same old quicksand. The "new foundation" will sink without a trace but the deficit of 29 billion will be around drawing interest far, far, into the future.

More than thirty years after World War II the United States must still pick up the tab for the defense of Europe even though European money is far sounder than the dollar. According to Jimmy Carter, we must do this to make Europe so strong that the Russians will be forced to sign the SALT agreement. This agreement signed with the Soviets, who have never honored any agreement in their history, will allow the United States to disarm and we trust the Communists to do the same. But, we know we can't trust them, so we will check up on them. At the same time we will fight inflation by going in debt at a lesser rate then we have always done under Democrat rule - but we will do it with compassion.

If you understand this you can lay bricks with Jimmy.

Rochester Historical Society

The January meeting of the Rochester Historical Society was devoted to events sponsored by that society for Rochester 300. Members drew up plans for their "Kite Festival". Everyone in the community, of any age, who likes kites, is invited to join together at a site to be announced, and fly kites together. There will be prizes for kites in five categories: most beautiful, most original, most aeronautical, biggest, and best of show. Prizes will be given to homemade kites only, although any kite may be flown. Anyone wishing to be on the judges' panel is welcome to call Mrs. James Gurney, club president, and offer their service. The date will be April 22, rain date the 28th.

Members worked on plans for their float for the parade, which remains a big secret. The "Rochester 300 T-Shirts" have finally arrived, and were on display.

Also under discussion was the Photo Contest. The subject, "The Enduring Beauty of Rochester", entices amateur photographers to come up with the best photo of our old town, and a $100 prize awaits the best in each category: Color and Black & White. The photos must be matted or mounted, minimum size 3" x 5" and maximum 12" x 18". The photographer must be a resident of the original town of Rochester; that is Mattapoisett, Marion, Wareham or Rochester. A drop box for entrants' convenience has been placed in the conference room at the Rochester Town Hall and any Society member will accept entries. All photos become the property of the Society. Jody Smith is contest manager.

On display at the meeting was a huge Plymouth County Map dated 1857, a gift to the society by Mrs. Myrtle Vose.

The Rochester Historical Society will observe its 10th birthday in April of this year. It is a small but enthusiastic group of hard workers intent on preserving the history and artifacts of the town. New members are welcome.

EXHIBIT OF PHOTOGRAPHS

The Marion Center for Human Services, 335 Wareham Road (Route 6), Marion will host an exhibit of photographs by local photographer Deborah L. Hynes. A preview of the show will be held at the Center this Friday evening, February 2nd, beginning at 7:30 P.M. The photographs will be on display through February.

ANNUAL MEETING CHILDREN'S MUSEUM

The annual meeting of the Dartmouth Children's Museum was held Monday, January 15, and filled the meeting hall of the South Dartmouth Congregational Church to capacity, with 128 Museum members attending, enjoying a roast beef dinner and a very entertaining illustrated talk on the "Waterways of France". The Museum's short business meeting brought forth many successful statistics. In his director's report, Robert Bailey reported a 50% increase in 2 years in the number of school classes taught at the Museum, 249 in 1978 as compared to 169 in 1976. This increase, he surmised, was brought about by the personal approach to the natural science lessons and the successful effort to reduce the

The Children's Museum/Museum Outdoors have also reached an approximate 5259 people from local communities who have come to visit, attending programs, special events or courses throughout 1978.

The director also noted that the Museum has extended itself into more communities and received responses from schools and groups that had never come to the Museum before. With the increasing number of school children coming to the Children's Museum, the director has asked the assistance of the membership and community in the capacity of teacher-volunteers.

The Trustees of the Museum introduced 6 new members to the board: Mrs. James Ragsdale, John F. Fletcher, Mrs. Clay V. Stites, Mrs. Gilbert F. Fernandez, Peter Milliken, and David Brownell. The Museum welcomes its new trustees and members and looks forward in 1979 to its many classes, programs and special events, now serving more communities than ever.

Say It In German

"Going to Germany or Austria?" asks Lufthansa German Airlines hostess Heide Bilke. "Whether you're looking for the excitement of cities like Munich or Vienna, or the scenic splendor of the Black Forest or the Alps, these easy to remember phrases will help you along the way": "Can you recommend a good hotel?" *Können Sie mir ein gutes Hotel empfehlen?* (KUH-n'n Zee meer ein GOO-tess Hoh-TELL ehmp-FAY-l'n?); "Thank you." *Danke schön.* (Dahn-key SHERN); "Goodbye" *Auf Wiedersehen* (OUF VEE-dehr-ze-hen); "What is this?" *Was ist das?* (Vahss ist dahs?); "How much does it cost?" *Wieviel kostet es?* (VEE-feel KOSteht ES?); "Why not." *Warum nicht?* (Vah-ROOM nicht?); "Do you speak English?" *Sprechen Sie english?* (SPREK-ehn Zee Ang-Glish?). And if you happen to make a mistake in pronunciation, the German word for "oops" is *hoppla!*

18th CENTURY ROCHESTER HOME

In last week's Presto Press we asked for old pictures of Rochester - scenes, homes, etc. This one was furnished to us by Col. Eugene Hotte of his 18th century home. He has written a brief history which follows.

"WILLOW COTTAGE", once known as the Harvey Wood farm. It was situated on the East side of Neck Road a few feet from the Middleboro line. It was built in the 18th century.

At the time this picture was taken (circa 1900) it was owned by Laura A. Leonard.
